

MINUTES OF THE BOARD OF SUPERVISORS
COUNTY OF LOS ANGELES, STATE OF CALIFORNIA

Joanne Sturges, Acting, Executive Officer
Clerk of the Board of Supervisors
383 Kenneth Hahn Hall of Administration
Los Angeles, California 90012

Acting Director of Planning

At its meeting held March 28, 2006, the Board took the following action:

26-B

Supervisor Antonovich made the following statement:

“On March 15, 2006, the Regional Planning Commission approved Conditional Use Permit No. 04-023-(5) and Oak Tree Permit No. 200500045-(5). This case involves a proposed residential drug and alcohol treatment facility for 66 adults at 36491 Bouquet Canyon Road in Leona Valley. The proposed facility would be operated by Narconon Southern California.

“Several individuals who live near the proposed Narconon facility have expressed concerns about the project. Given the location in a community that is sparsely populated, the volume of telephone calls, e-mails, and letters is particularly high. A call for review will provide the Board of Supervisors with an opportunity to hear from all parties before making a final determination concerning this project.”

Therefore, on motion of Supervisor Antonovich, seconded by Supervisor Knabe, unanimously carried, the Board took the following actions:

1. Initiated a call for review of the Regional Planning Commission's final actions relating to Conditional Use Permit No. 04-023-(5) and Oak Tree Permit Case No. 200500045-(5), to authorize a residential drug and alcohol treatment facility and removal of two oak trees and the encroachment into the protected zone of five oak trees on property located at 36491 Bouquet Canyon Rd., in Leona Valley, Bouquet Canyon Zoned District (5), applied for by Narconon Southern California;
